Re: United States v. Owens, et al.  
S1 17 Cr. 506-09 (NSR)

Dear Judge Roman:

This letter is respectfully submitted on behalf of the defendant Demetri Moseley, to request an adjournment of his sentencing, that is currently scheduled to take place before Your Honor on May 8, 2020. The adjournment is necessary because the current health crisis has made it impossible for counsel to review the Presentence Investigation Report with Mr. Moseley or to consult with him concerning our sentencing submission. Given the uncertainty about when the courts will resume normal functioning, we suggest that the case be adjourned to a date in July convenient to the Court and the parties.

I have discussed the proposed adjournment with AUSA Maurene Comey and she advised me that the Government has no objection to an adjournment of the sentencing.

Thank you in advance for your consideration of this request.

Respectfully submitted,

A handwritten signature in dark ink that reads 'Avraham C. Moskowitz'.
